

Bob Moon Unanimous All-Bay League Choice

THS Speedsters Roll Over Redondo, Serra

Coach Vern Wolfe's talented thinclads tested their mettle against a Bay League adversary Friday at Redondo High and came out laughing, winning a triangular meet 72 1/2-43 1/2.

The other two teams involved were Redondo, which finished second, and Serra, third.

Coach again Clayton "Triple Threat" Mallard and Dennis "Double Duty" Hester combined to give the Tartars five firsts. Hester's somewhat strange combination—the 880 and the high jump—gave the hometowners two more first places.

Redondo's mercury footed speedster Doug Dick tied the Torrance school record with his burst 9.9 in the 100 and came within two-tenths of a second of tying the Tartar 220 record by blazing a 22.3 in that event.

It would have been interesting to see what Torrance's fleet dashman Larry Cooke would have done with Dick in the 100 and the other third. Surprise of the Bee hassle was La Roy Golden's swift 1:33.2 in the 600. Golden had been out for track only four days before the meet, after basketball season. Why any track runner would be running in a couple of weeks? The Bee record for the 600 is 1:27.5, set at THS way back in 1935.

Eagles Earn Tie, Burgers in Free

Fenwick Has to Win to Tie, Allen's Clinches First Spot

The Redondo Eagles earned at least a tie for first in the Tuesday city hoop league last week by topping Linch Auto Sales 79-51 and Fenwick's Shoes, now tied for first with the Eagles, will have to beat Linch Auto Sales this Tuesday to earn a playoff with the Redondos for the title.

The Eagles draw a forfeit this week in their last game of the year, so their nine win and one loss record gives them no worse than a tie for first. Fenwick's with eight wins and one loss, must topple Linch to tie the Eagles. If they do so, a single playoff game will be staged at 8 p.m. on Tuesday, March 10 in the Torrance High School boys gym.

The eventual Tuesday champ will face the Wednesday League winner for the city championship at 8 p.m. on the following night, March 17.

Immediately following the championship game, individual and team trophies will be presented to the winners.

And the Wednesday League winner is none other than Allen's Burgers, who clinched the title with a 52-32 victory over Harvey Canteen last week. They have an unblemished nine win and one loss record. Second place Harbor has six wins and three losses, and with but one game left in the season, cannot possibly catch the Burgers.

Head Coach in the Burgers' last triumph was Forward Ivan Keys, who pumped 15 points down the well. He will spearhead the Burgers march toward the city title.

Old Faithful Dick Cowell came through for the Canteens with 12 points, even after being held pointless in the final quarter.

Dietrich Hits

One of the prime factors in the Redondo Eagles climb to prominence has been Martin Dietrich, dejected forward. He posted 19 points against Linch to give his team a shot at the coveted championship. Dan Esposito led the losers with 17.

On the Fenwick side of the ledger, Larry Glimzew provides much of the scoring impetus. He entwined 12 markers against the Drug team, while Bannerman Jerry Ott took high scoring laurels with 24.

Filling in for Treskes Men's Shop which dropped out of the Tuesday League last week, the Torrance High School varsity and Forward Jerry Farrar did admirably. The Bay League five thumped the Big Five 64-58 and Farrar had his best night of the season, hitting 12 field goals in the three quarters he played for 24 points. All Bay League Guard Bob Moon meshed 18.

The Tartars were hotter than a motorman's glove in the first half. They scored 24 points going into the second period without missing a shot from the field. Grant Hartline, Earl Stark and John Bray, borrowed from the Redondo Eagles, paced the Big Five with 22, 17 and 10 points.

Six TORRANCE HERALD MARCH 7, 1954

All-CIF Berth Looms for THS Scoring Wizard

By a unanimous vote of Bay League coaches and players, Torrance High's brilliant guard, Bob Moon, has been named to the All-Bay league first team for the second year in a row.

Moon was the only first team member to receive an unanimous vote.

A letter received by Tartar Coach Rex Welch Friday indicated that the fabulous senior will be named to an All-CIF berth when those selections are made following the CIF play-offs.

Moon and Coach Welch have been invited to attend the Helms Athletic Foundation banquet at which All-CIF awards will be made. In CIF basketball selections, 10 first team and 10 second team players are chosen. Whether Moon is first or second string will be announced at a later date.

The hawk-eyed Southpaw, who won the Bay League scoring title this year with 171 points in league play, is the first Tartar ever to be named to the first team two years in succession. Aramis Dandoy, USC football star, made first team in his junior year but was dropped to second string in his senior year.

Three Tartars made the All-League team prior to Moon. Given honorable mention on the All-Bay selections were the Tartars' dynamic duo—Jerry Farrar and Bob Guerra—both forwards.

League champion Santa Monica landed two players on the first team—Center John Griffiths and Guard Bill Behling. First string Forwards are Dick Eller from Beverly Hills and Tartar Buckelew of Inglewood.

The other four selections match exactly the all-opponent team turned in Tuesday by the Tartar team.

Moon, who is dangerous from anywhere on the floor, led the Tartars in total scoring during the season with 338 points in 20 games for a 17 point per game average. He holds the school record for highest number of points scored in one game—53—set last year.

Deasy To Head 'Babe Ruth' League for Boys Age 13-15

Bill Deasy has been elected president of a group of fathers dedicated to forming a "Babe Ruth" baseball league for boys ages 13-15 in Torrance and plans are under way to make application for a charter from the national "Babe Ruth" organization, according to Howard Miller, group spokesman.

Deasy was elected at a meeting of the group held last week at the YMCA. Other officers are P. L. McMichael, vice-president, and K. Simpson, secretary.

All fathers with boys in the 13-15 age bracket are invited to attend the meetings of the group, which will be held each Thursday night at 8 o'clock at the YMCA building.

The "Babe Ruth" baseball league was formerly the "Little League" and was organized to provide a league for the boys who are too old for the end of the regular season, a little league, National baseball league are followed and games to be played on a regulation-size national playoffs.

A meeting of the group's executive board has been slated for Wednesday night at 7:30 o'clock at McMichael's home, 4710 Avenue B. Purpose of the meeting is to make application for a charter from the national "Babe Ruth" League for Torrance.

The league here will be composed of six or more teams, sponsored by local merchants, and games will be held at Torrance Baseball Park. At the end of the regular season, the All-Star team will be selected and will compete in the district and national playoffs.

Tartars Explode 18-2 to End Five Game Loss Streak

The Torrance High School diamond artists finally got in their bats Thursday.

The Tartars smashed their hitting caps and blasted out 18 hits, scoring as many runs, to bury hapless Culver City under an 18-2 avalanche and break a five game losing streak.

Everybody got his whacks but chucker Gary Hakanson, but he didn't have to hit. He flipped a terrific two hitter at the Culver horsehiders and sent nine of them down swinging.

Burt Smith bombed three for four, a triple and two singles, to lead the stickers and Walt McHenry followed with three for five, all solo blows.

The day before the uprising, the Tartars, who have not got a home diamond to practice on, lost their fifth straight game to Hawthorne, 6-2. The Traveling Tartars wander to Gardena Tuesday for their next fray and meet El Segundo on Thursday.

El Camino Track Team Is Racked

El Camino got soundly whacked by Harbor in its first track meet of the season Friday 79 1/2 to 38 1/2 at the Orange Coast track. Orange Coast finished third with 24 points.

The Warriors meet Ventura and the UCLA frosh in a triangular meet Friday on the home cinders.

John Sousa Takes Over Reins of Varsity Club

Taking over the presidency of the Torrance High School Varsity Club at a potluck spaghetti feed last week was John Sousa, outstanding Tartar athlete.

Other officers inducted included Don Kasten, vice-president; Tom Cavanaugh, secretary; Jim Donnetts, treasurer; and Burt Smith, master-at-arms. Smith and Kasten were re-elected from last year's slate of officers.

The club is under the sponsorship of High School Coaches Cliff Graybehl and Dick Leech.

LACC Swimmers Win

LACC's swimmers trimmed El Camino by a 47-36 score last week.

Vikes Win, Face Potent Ventura

Santa Monica's Vikings, Bay League champs, bounced new Bay League team Centennial out of the CIF playoffs Friday night 65-64 and will meet powerful Ventura Tuesday night at Glendale High.

Ventura's potens cagers have won 29 straight games.

ROD and GUN Chatter

Deep sea fishing showed a spark of life over the week-end with anglers filling their sacks with needle-size barries off San Clemente. Hundreds of the small snakes have been checked into landings from Newport on down to Oceanside. Largest barry taken back to Norma's landing at Newport so far this year is seven pounds, with a half-dozen 15 pounds, besides the regular kelp bass. Not too good, but not bad for this early in the season.

Speaking of Norma's Landing, old "sageer beavers" Helen and Marvells Smith, May Shelton and myself did our best to beat a few of the early barries last Tuesday off the Sport King. Helen landed three of the 26 taken, missing the jackpot by about four pounds, that went for a half-dozen seven. First time for us on what is sometimes referred to as a "cattle boat," but can't see why they are called that if the Sport King is an example. Heard tell that Norma does not fill his boats to capacity, even when the albacore are "red hot." I also had word from reliable sources that the reports coming from there will be accurate, none of this ten-pound business when it should only be three.

The Happy Jack, skippered by Carl Hann, sat off Pt. Vincent's last Sunday with Bob Franklin, Paul Husbands and Don Phoenix horsing in 11 bull bass, 12 perch and three opal eye, all under the three-pound mark. Looks like three pounds of anything is considered good at the present!

After two weeks at Temple Bar at Lake Mead all "Pop" Willie home and Leon Smith brought home was four pan-size bass. Not sure if the fishing was poor or if Lake Mead is just too close to Las Vegas.

Surf fishing is still hit and miss with a few near three times referred to as a "cattle boat," but can't see why they are called that if the Sport King is an example. Heard tell that Norma does not fill his boats to
